

**BAHIA FORMOSA  
SCHOOL**

# NEWSLETTER

22 - 26 MAY 2023

## FINANCES

We would like to say a big thank you to those parents who have been paying their school fees thus far! Our amazing school is entirely dependent on you paying your school fees for your children to reach their potential!

## HARMONY PROJECT

**This week our Harmony questions were:**

**Grade 2** - What wild animals live around our school?

**Grade 3** - Which insects are helpful and which are harmful?

**Grade 4** - Can we identify raw manufactured materials along our river?

**Grade 5** - Natural Sciences:

What materials were used to make bricks?

**HAPPY  
AFRICA DAY!**

25 May 2023

## SPORTS

Soccer players have had a busy week with 2 matches played.

U10 & u13 teams played great matches in the Sticks & Balls soccer league. U11's just missed out against a tough Plettsurg Pirates side 5-4 and the u13 side won their match against the Illios wasps winning 3-2.

Soccer teams also played some midweek matches against Witterdrift Primary School. U11 played their first 7v7 format which was a bit different to the usual 5v5 matches they play. They lost 8-2 against a tough Witterdrift side. U13 boys did exceptionally well losing 3-2.

Great support has been shown by parents at our matches this week and we ask that you continue to support our teams during matches.

Physical education hockey lessons have been going well, as we prepare to join the local Plett hockey league next term. Kids will also have the opportunity to meet local hockey hero National Hockey team player, Sam Mvimbi who has just returned from The hockey World Cup and was a vital member of the South African Olympic side last year.

We hope that this will create some hype for our hockey players going into next term.

## ASSESSMENTS

**Assessments and exams are just around the corner!** We know you all are anxious for your child to do well.

But, please do remember, amongst the learners that are writing, there is an artist who doesn't need to understand algebra. There is an entrepreneur who isn't excited about history. There is an athlete whose physical fitness is more important than Science. If your child does get the top marks - that's great! But if he or she doesn't... please don't take away their self-confidence and dignity from them. Remind them that if they tried their best to study - it's okay and that they are cut out for bigger things in life!

**Good luck Bahia Boys and Girls!**

## STAR WORKERS OF THE WEEK:

Grade 1 - Cheronique

Grade 2 - Xhanti
