BLESSINGS

We had an incredible blessing last week!

Good things happen to good people, as the saying goes. It is overwhelmingly true in our recent experience.

On Friday last week, our grade R teacher, Mrs Le Roux, was approached by a gentleman in a busy supermarket, while shopping for pizza ingredients to make with the grade R's. During the conversation, the subject of our amazing school came up.

By the end of the conversation, the gentleman had offered to buy a milkstart for all the hardworking staff members of Bahia Formosa Primary School. At the checkout, he inquired about the contents of her shopping basket and insisted on paying for EVERYTHING. A thoughtful gesture that was well received. We are extremely blessed at this school! Thank you, kind gentleman!
