FINANCES

We want to express our gratitude to the amazing parents who diligently contribute to our school fees. Your ongoing support is the backbone of our school's success, ensuring every student's educational journey is vibrant and fulfilling. Your commitment is deeply appreciated, and we celebrate your vital role in maintaining our thriving learning community. Thank you for being our superheroes behind the scenes!

HARMONY PROJECT

This week our Harmony questions were:

Grade 1 - How can we care for our pets?

Grade 2 - How do we get around our community?

Grade 3 - Where does our rubbish go in Plettenberg Bay?

Grade 4 - Can we compare old and modern water transportation?

Grade 5 - How are climate and vegetation linked: What type of vegetation is found in different parts of S.A.?

Grade 7 - How can I be safe around fire?

SPORTS

We have a hockey tournament in Knysna on **Saturday, 26 August**. For the upcoming match please remember to wear the right sports uniform. Also, ensure you have a well-fitted gum guard for your safety while playing hockey. Let's have a fantastic time together!

ACADEMICS

On **12 October**, our Grade 3 learners will be writing **systemic tests**, showcasing their learning and understanding. Staying updated and practising is key. To ensure success, it's vital for them to remain up-to-date and practice diligently at home and at school. Study hard, and believe in yourselves - success is within reach!

WE URGENTLY NEED

Looking for a way to recycle your **plastic bottle caps** and old, chewed-up **tennis balls**? Don't throw them - bring them to us!

Help us create vibrant, recycled art pieces in our gardens by reusing bottle caps and protecting our floors from scratches by using tennis balls as floor protectors!

Together, let's make a positive impact on the environment - one bottle cap and tennis ball at a time!

UP-AND-COMING

THIS WEEK

This week, our Grade 2, 3, and 4 students have been actively engaged in planting activities. Embracing the spirit of recycling, we've creatively repurposed various containers as plant pots for our gardening endeavors.

NEXT WEEK

We're excited for **Mayor Dave Swart's** visit to our school next week Tuesday. This special occasion lets us showcase our achievements and dynamic learning environment. Mayor Swart's presence underscores our strong community ties. We can't wait for this memorable day!
