

**BAHIA FORMOSA  
SCHOOL**

# NEWSLETTER

20 - 24 FEBRUARY

## FINANCES

At Bahia Formosa we strive to create and deliver value. Value is where the value we pass on to your child and ultimately your family, meets and exceeds the cost of schooling.

Our school has increased the delivery of the value by adding non academic consulting, football and now cricket, netball and hockey to our offering. All at no extra costs to the parent.

Exciting to have the opportunity to offer bursaries, full and partial to existing and new learners.

BFS is a family, that will stand strong in time to come based on our loyalty to our cause. Our cause is our product, and your child is our purpose. We urge you to keep up with your school fees, so we can continue to deliver on our dream.

## STAR WORKERS OF THE WEEK:

Grade 1 - Abshir

Grade 2 - Liyo

Grade 3 - Talya

Grade 4 - Milani

Grade 5 - Avethandwa

Grade 7 - Ibrahim

## SPORTS

Our learners have worked hard with their coaches from Sticks & Balls and Coach Thandi this past week. The Foundation Phase has been participating in Mini Cricket practice and has started to learn the essence of cricket. Look out next week for the names of those learners who have made it on the team to compete against other schools in the coming weeks.

### **BFS NETBALL PRACTISE STARTS ON THE 27 FEB.**

Monday & Thursday: GRADE 1-3 - TIME: 13H30 -14H30

GRADE 4-7 - TIME: 14H30 -15H30

## DR ROSS

Dr Ross will continue to discuss under- and over-protective parenting. We aim to be balanced parents, but are we really. Exploring what makes a balanced parent, together, will be enlightening!

## BAHIA CHAMPIONS

Grade 1 - Sakholwa

Grade 2 - Akheela

Grade 3 - Ishita

Grade 4 - Ayola

Grade 5 - Ngomusa

Grade 7 - Sesona

# HAPPENINGS

Over the past week, we have been very busy in our gardens, on our school grounds. Our grade 1's got their hands dirty and spent time helping Mrs Mansfield and Principal Sarie create a decorative gecko from desert rose succulents and other plants. With a huge thanks to Zante and Norma and their donation, we are closer to completing our succulent masterpiece. Contact us if you have any plants to donate! Visit our Instagram page to see our progress: @bahiaformosaschool

## HARMONY PROJECT / KWENDALO

Grade 4 went on a history whistle stop tour of our local area, Plett. We explored centuries of past, present and what we will leave for the future. From the Robberg's Sao Gonçalo shipwreck viewpoint and Nelson Bay Cave to the timber shed, possessional stone and old Whaling station on Beacon Isle. Thank you, Harmony/Kwendalo!

Visit our Instagram or Facebook page to see pictures!

## HARMONY PROJECT

This week our Harmony questions were:

Grade 2 - What do I need to survive?

Grade 4 - How do we display our local history?

Grade 5 - History: How do we find out about hunter-gatherers and herders in Southern Africa?

## LOOK OUT FOR...

Our Grade 2 class is currently being renovated. If you would like to see more, follow us on our Instagram page:  
@bahiaformosaschool

Join us every Wednesday evening at 6 pm for our Parent Workshops at Simunye Hall. You will be inspired to be an even better parent!
