**22 May:** vs Craggs

**31 May:** vs Kranshoek

You will be notified in time who has been chosen for the teams or if dates change.

This past week our Netball girls played a friendly and rainy match against Greenwood Bay College. It was an exciting match that both teams very much enjoyed, whereby our girls scored a win (15-5)! We are so proud of each and every one of them! Keep putting in the hard work and you will reap the rewards!

## GUEST SPEAKERS

We would like to say a huge thank you to Bruce from the Harmony Project for coming to our school today to share his love for music and nature with us this past week!

Today Bruce brought a special bag of acorns with him and taught our learners how to use the cupule as a flute and whistle.

Thank you, Bruce, for taking the time to remind us of the beauty in the world around us, and to NOT step on acorns!

Parents, be sure to ask your child to demonstrate how to whistle with a cupule of an acorn!
