FINANCES

We would like to say a big thank you to those parents who have been paying their school fees thus far! Your dedication is much appreciated. Not only that but our books from 2022 have been put in for auditing! On another note, if you have not been sent a school fees statement, please contact our office urgently.

BLESSINGS

We would love to share amazing news – not only do we teach here at Bahia Formosa School, but as teachers, we support each other through thick and thin! Recently we found out that our grade 2 assistant's daughter is pregnant and all of us teachers pooled together to spoil both the mom-to-be and our Baby Bahia No.2! Congratulations to the Gobo Family!

SPORTS

Sticks & Balls Junior Soccer League comes to an end this Saturday, 09:00-11:00 at Plett Central Sports Field. All Bahia Formosa Students have done a great job this term and we look forward to them finishing off the league on a positive note. Please make sure you get down to the field to show some support to our players who continue to bring pride to our school.

Mini Cricket

Under 8 and under 9 cricket players will be playing against Plett Primary this week. Cricket progress is slow, but slowly we are trying to correct the technical skills required to play cricket. We will look to structure our sessions better and ensure that we lay a great foundation for cricket to grow within Bahia Formosa.

Coaches Update

Coach Siya has been doing a great job with sports this term and we would like to thank him for his commitment and dedication towards developing our kids and ensuring that all training sessions are fun and constructive.

HARMONY PROJECT

This week our Harmony questions were:

- Grade 2 - Why do we need the sun?
- Grade 4 - What buildings does every settlement need?
