

**BAHIA FORMOSA
SCHOOL**

NEWSLETTER

29 - 2 JUNE 2023

FINANCES

We would like to say a big thank you to those parents who have been paying their school fees thus far! Our amazing school is entirely dependent on you paying your school fees for your children to reach their potential and receive abundant opportunities.

HARMONY PROJECT

This week our Harmony questions were:

Grade 2 - What birds live in this area?

Grade 3 - How does each life cycle begin?

EXAM SCHEDULE - JUNE 2023

Exams for Grades 4-7 begin next **Wednesday, 7 June** 2023.

All Grades from Grades R - 7:

School starts at 7:45

School ends at 12:30

School closes on Thursday 22 June 2023 for the June/July holiday.

BAHIA CHAMPIONS

Grade 5 - Ethan

Grade 7 - Akhanya

STAR WORKERS OF THE WEEK:

Grade 1 - Abshir

Grade 2 - Liyo

Grade 3 - Lingomso

Grade 4 - Entle

Grade 5 - Musa

Grade 7 - Sesona

OUTINGS

The grade 5 and 7 learners thoroughly enjoyed their visit to Cairnbrogie Dairy Farm!

The tour began at the cow milking stations and continued inside the storage facility where learners saw what 4000 litres of milk looks like! Then, the local farmer, Andrew Hill, led the learners back to the milking station where they watched as the cows were milked by high-tech equipment which included monitoring systems that can detect milk flow, bacteria and litres. Finally, we visited the calves and enjoyed watching them as they were bottle-fed. The learners asked and answered a lot of questions with great enthusiasm! Andrew shared his love for and knowledge about dairy farming and the importance of cows with the excited learners. Who knows, Andrew and his cows may have inspired the next Plett dairy farmer...

FUNDRAISING

POWER STATION RAFFLE

STAND A CHANCE TO WIN A PORTABLE POWER STATION

Well done to those who have already sold tickets for our raffle! Please remember to return your raffle **stubs and money** to receive another booklet! It is a race to the finish to see which **learner** and which **class** sells the most tickets! We look forward to the **22 June 2023** when the lucky learner, winning class and Inverter winner will be announced!

We are currently living in dark times due to this loadshedding and with exams coming up we have realized the effects this darkness has on our learners and their ability to see while writing their exams. We would like to urge you to sell as many tickets as you can, because of these funds we have recently purchased **battery-operated LED lights** for one of our classrooms.

Please help us raise enough funds to purchase more LED lights for more classrooms to be light enough in the morning for our bright learners to see!

WITH THANKS

We would like to say a huge thank you to Elliot for always keeping our grounds neat and tidy, but most of all - always taking initiative. This past week Elliot created a beautiful courtyard out of scrap pieces of wood! What a masterpiece!

**THE
PRIZE
HAS A VALUE OF
R15 000**
