FINANCES

A heartfelt appreciation goes out to our parents for their unwavering support with school fees. As August draws to a close, we're reminded of how swiftly time passes. Your contribution to our learning community is immeasurable, and we encourage you to continue your fantastic effort in meeting school fee commitments.

HARMONY PROJECT

This week our Harmony questions were:

Grade 2 - How can we travel by water?

Grade 3 - How do scientists learn more about space?

Grade 4 - Where does our food come from?

Grade 5 - Why was the Nile River important to the ancient Egyptians?

Grade 7 - How long is the Nile River?

STAR WORKERS OF THE WEEK:

Grade 1 - Abshir

Grade 2 - Licebo

Grade 3 - Ishita

Grade 4 - Mikhulu

Grade 5 - Ave

Grade 7 - Ozasanga

SPORTS

U13 Soccer League:

Bahia Formosa's U13 team faced off against Pips Pistols, resulting in a goalless draw. However, Bahia Formosa clinched victory in a penalty with a score of 2-0. Isi and C-Jay secured the winning goals, and Enzo's impressive saves sealed the deal.

U10 Soccer League:

Bahia Formosa's U10 team dominated Pips Pistols with a 5-1 win. Michael shined by scoring an incredible 4 goals. Both the U13 and U10 teams continue to maintain their unbeaten record.

Junior Hockey League:

Bahia Formosa kicked off the Junior hockey league with a thrilling 9-7 triumph over Pips Pistols. Aneza's standout performance included 3 of the 9 goals scored.

BAHIA CHAMPIONS

Grade 1 - Lethabo

Grade 2 - Khayone

Grade 3 - C-Jay

Grade 4 - Akani

Grade 5 - Ngomusa

Grade 7 - Sesona

UP-AND-COMING

SOMEWHERE OVER THE RAINBOW

We're thrilled to remind you about our eagerly anticipated school concert, happening TONIGHT!

The enchanting event will take place tonight, 1 September, at 16:00 at Kwanokuthula Simunye Hall. We can't wait to showcase the incredible talents of our students as they bring to life the magical theme of "Somewhere over the Rainbow."

As you prepare to enjoy the mesmerizing performances, don't forget to look forward to the scrumptious vetkoek that you've pre-ordered. It's going to be a delightful evening filled with music, joy, and the warmth of our school community.

THIS WEEK

Grade 4 students created rafts using recycled and upcycled materials as part of a project that combined history, instructional writing, and energy concepts. This hands-on approach helped them learn about changes in transportation over time and understand the use of sustainable materials.

COMING UP NEXT WEEK

Bottle Caps Wanted!

Help us create vibrant, recycled art pieces in our gardens by reusing bottle caps. Together, let's make a positive impact on the environment - one bottle cap at a time!

Assessments

Assessments for the Foundation Phase begin next week. Please make sure all learners are at school!
